

# **EXHIBIT A**

**IN THE UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF OHIO  
EASTERN DIVISION**

CARRIE ANDREWS, individually and on  
behalf of all others similarly situated,

Plaintiff,

v.

STATE AUTO MUTUAL INSURANCE  
COMPANY,

Defendant.

CASE NO. 2:21-cv-05867-ALM-CMV  
CHIEF JUDGE ALGENON L. MARBLEY  
MAGISTRATE JUDGE VASCURA

**SETTLEMENT AGREEMENT**

This Settlement Agreement (“Agreement”) is made by and between the Named Class Plaintiff, Carrie Andrews, on behalf of herself and on behalf of all others similarly situated (“Plaintiff”), and Defendant, State Auto Mutual Insurance Company (“Defendant” or “State Auto,” as defined below), by and through their respective counsel.

**RECITALS**

WHEREAS, Plaintiff filed a Class Action Complaint, which is now pending in the United States District Court for the Southern District of Ohio (the “Court”), entitled *Andrews v. State Auto Mut. Ins. Co.*, Case No. 21-cv-05867 (the “Action”), which, through this Settlement, will be accepted as a certified class action, but for settlement purposes only, on behalf of the Settlement Class; and

WHEREAS, Plaintiff alleges she is or was an insured and first-party total loss claimant with respect to vehicles insured by a private passenger auto policy issued by State Auto (the “Policy”); and

WHEREAS, Plaintiff alleges that Vehicle Sales Tax must be paid in connection with a total loss settlement because, among other things, it is allegedly inherently included within the actual

cash value (“ACV”) of the vehicle, and that Defendant wrongfully failed to pay Vehicle Sales Tax in connection with total loss valuations and payments nationwide; and

WHEREAS, the Action alleges, generally, that Defendant acted wrongfully by failing to pay the full ACV to Plaintiff and the putative class because the Total Loss Payments (as defined below) did not include Vehicle Sales Tax; and

WHEREAS, Defendant has defended and intends to vigorously contest each and every claim in the Action, denies all material allegations of the Action, as to which State Auto asserts it has numerous merits and class defenses, and further maintains that it has consistently acted in accordance with governing laws at all times, and further has shown to Plaintiff that its practices in Ohio, Illinois and Missouri are based on unique regulatory provisions regarding sales tax payment by insurers in those states; and

WHEREAS, Plaintiff, through counsel, while believing that the claims asserted in the Action have substantial merit, examined the benefits to be obtained under the terms of the Proposed Settlement (as defined below), considered the risks associated with the continued prosecution and possible appeal of this complex and time-consuming litigation, and the likelihood of success on the merits of the Action, and believes that, in consideration of all the circumstances, the Proposed Settlement (as defined below) embodied in this Agreement is fair, reasonable, adequate, and in the best interests of the Settlement Class Members, and has agreed that Defendant has adequately shown that the Settlement Class in this matter should be limited to the states of Ohio, Missouri and Illinois; and

WHEREAS, Defendant, while denying wrongdoing of any kind whatsoever, and without admitting liability, nevertheless agreed to enter into this Agreement to avoid further expense, inconvenience and the distraction of burdensome and protracted litigation, and to be completely free of any further controversy with respect to the claims which were asserted in the Action;

NOW, THEREFORE, IT IS HEREBY AGREED by and between the Parties, through their respective counsel, that the Action be settled and compromised as between the Plaintiff, the

Settlement Class, and Defendant upon approval of the Court after hearing as provided for in this Agreement, on the following terms and conditions:

## III. PRELIMINARY CLASS CERTIFICATION

37. Upon execution of this Agreement, the Parties shall submit this Agreement to the Court and request the Court to enter a Preliminary Approval Order, preliminarily approving the Proposed Settlement, which shall be substantially in the form set forth in Exhibit 5.

38. For purposes of this Settlement only, the Parties stipulate and agree to the certification of the Settlement Class defined in this Agreement and that: (i) the proposed Settlement Class meets the requirements of Fed. R. Civ. P. 23(a) and (b)(3); (ii) the proposed Class Notice is the best and most practicable under the circumstances, and satisfies the requirements of Fed. R. Civ. P. 23 and Due Process; and (iii) the terms of the Settlement are fair, reasonable and adequate. For purposes of the Settlement, Carrie Andrews is agreed upon as a suitable Class Representative.

39. Preliminary certification of the Settlement Class and appointment of the Class Representative and Class Counsel by the Court shall be binding only with respect to the Settlement of the Action. In the event this Agreement is terminated pursuant to its terms, or a Final Judgment approving the Settlement for any reason does not occur, the certification of the Settlement Class shall be nullified, and the Action shall proceed as though the Settlement Class had never been certified, without prejudice to the Court’s consideration, on the merits, of any properly submitted Motion for Class Certification. The Named Plaintiff and Class Counsel agree that neither this Agreement, nor any pleading or other paper related in any way to this Agreement, nor any act or

communication in the course of negotiating, implementing or seeking approval of this Agreement, shall be deemed an admission by the Named Plaintiff, Class Counsel, or State Auto of any matter related in any manner thereto, or by State Auto that certification of any class is appropriate in this Action or any other litigation, or otherwise shall preclude State Auto from opposing or asserting any argument it may have with respect to certification of a class in this Action or any other matter.

40. Upon the Preliminary Approval of this Proposed Settlement by the Court, as evidenced by entry of the Preliminary Approval Order, all proceedings in the Action shall be stayed until further order of the Court, except such proceedings as may be necessary either to implement the Proposed Settlement or to comply with or effectuate the terms of this Agreement.

#### **IV. CLASS NOTICE, COSTS OF CLASS NOTICE, AND ADMINISTRATION OF SETTLEMENT**

41. The Parties agree to recommend to the Court Epiq Systems, Inc. as Claims Administrator, which entity will be designated as the “Claims Administrator.” The duties of the Claims Administrator shall include, but are not limited to (i) overseeing the provision of Notice to the Class; (ii) overseeing identification of addresses for any returned mail, and remaining notice; (iii) processing Claim Forms; (iv) contacting Settlement Class Members, if any, whose Claims Forms are deficient to attempt to obtain a cured form; (v) processing any cured Claim Forms; (vi) sending all Claim Forms to State Auto for challenge or payment and to Class Counsel; (vii) forwarding inquiries and questions to Class Counsel; (viii) providing a certification to the Court regarding the administration and processing of claims and, in the event that the Claims Administrator issues checks, the issuance of the payments to the Claimants as set forth herein; and (ix) establishing and maintaining a settlement website and call center. The Claims Administrator shall be paid by State Auto for services rendered pursuant to this Agreement.

42. Notice of the pendency of the Action and of the Settlement shall be made by the Class Notice, which will be sent by the Claims Administrator.

43. Within 60 days after the entry of the Preliminary Approval Order, State Auto shall make a reasonable search of its computer/electronic databases and provide the Claims

Administrator with the name and current or last-known address and email address of each potential Settlement Class Member and the date of loss.

44. Within 90 days of the entry of the Preliminary Approval Order, the Claims Administrator shall initiate mailing of the postcard Class Notice and Claim Form, which will be in the form set forth in Exhibit 1, for each Settlement Class Member Claim (if a Settlement Class Member has more than one claim, the Settlement Class Member will receive a Claim Form for each claim showing the date of loss) by first-class mail to each potential Settlement Class Member. The Claim Form will be detachable and return-addressed, and shall be affixed with prepaid postage sufficient to mail back to the Claims Administrator. The Claim Form shall be pre-filled in the manner and method shown in the agreed Class Notice, and will require the Settlement Class Member to affirm, under oath, the good faith belief that the information on the Claim Form is true and correct and that the Class Member believes he or she is entitled to the relief requested on the Claim Form and has not previously been paid Vehicle Sales Tax on the relevant total loss claim by State Auto or, if in Missouri, received from the State of Missouri or the Missouri Department of Insurance a Vehicle Sales tax refund or credit. There shall be specific questions on the claim form to determine if the Class Member has previously been paid sales tax or received a sales tax credit or refund. Those questions must be answered in order for the Class Member to have submitted a Valid Claim. The Notice shall be sent only to Settlement Class Members, not to any of their attorneys, whether known or unknown, in connection with their original claim to State Auto or otherwise.

45. Prior to mailing the Notice which must be mailed, the Claims Administrator shall run the physical mailing addresses through the National Change of Address Database (“NCOA”) to attempt to obtain a more current name and/or physical mailing address for each potential Settlement Class Member.

46. At a date and time suggested by the Settlement Administrator, after the mailing of the Mail Notice, the Claims Administrator shall initiate a separate Email Class Notice (which

notice is in addition to the postcard Class Notice Notice), which will be in the form set forth as Exhibit 2.

47. The Email Class Notice shall have a hyperlink to an informational website, which provides access to a “Make A Claim” button permitting a Class Member to access a pre-filled electronic Claim Form in the form attached hereto as part of Exhibit 1. The Parties agree that the website will be <http://www.xyz.com/>, or a website mutually agreed in writing by the Parties.

48. If any e-mail is rejected, returned as undelivered, or the Claims Administrator otherwise receives notice of a failure to transmit, the Claims Administrator will send a second postcard Mail Notice to the Settlement Class Member.

49. The Claims Administrator shall utilize best practices designed to avoid spam filters, blockers, or any tool designed to prevent receipt of e-mails, and to otherwise design and implement the sending of the e-mail to increase the chance that the E-Mail Notice will be successfully received into the inbox of Settlement Class Members. All E-Mail Notices must include the capability to click-through to the website to make a claim.

50. At a date and time recommended by the Settlement Administrator, a second reminder email notice, which will have the same format as Exhibit 2 except that it will not include a link to the claim form, will be sent to each Settlement Class Member.

51. Prior to the Class Notice mailing and emailing, the Claims Administrator will create an informational website. The website will provide the Settlement Agreement, Mail Notice, Longform Notice, Claim Form, Preliminary Approval Order, and frequently asked questions.

52. The home page of the website shall reflect the case settlement information and shall have a “Make A Claim” button permitting a Class Member to access a pre-filled Electronic Claim Form by providing a Claimant ID Number, with a method to submit the Electronic Claim Form with an electronic signature, and a method to request that another copy of the paper Claim Form be mailed or emailed to the Settlement Class Member.

53. The website shall provide that a Settlement Class Member may submit a Claim Form without a Claimant ID Number by completing online a Blank Claim Form by entering the

Settlement Class Member name, policy number or claim number, and address, and by signing and submitting the Blank Claim Form electronically. A copy of the proposed Blank Claim Form is attached hereto as Exhibit 6.

54. If any Notice and/or Claim Form mailed to any potential Settlement Class Member is returned to the Claims Administrator as undeliverable, the Claims Administrator will promptly log each Notice and/or Claim Form that is returned as undeliverable and provide copies of the log to State Auto and Class Counsel upon request. If the mailing is returned to the Claims Administrator with a forwarding address, the Claims Administrator shall forward the mailing to that address. For the remaining returned mailings, the Claims Administrator will use reasonable efforts, including potentially an Experian search or skip tracing, to attempt to obtain a new address and those mailings shall be forwarded to any new address obtained through such a search. If any Notice is returned as undeliverable a second time, no further mailing shall be required. It is agreed by the Parties that the procedures set forth in the preceding Paragraph and this Paragraph constitute reasonable and the best practicable notice under the circumstances and an appropriate and sufficient effort to locate current addresses for Settlement Class Members such that no additional efforts to do so shall be required.

55. The Parties agree that a Longform Notice, without material alteration from Exhibit 3 hereto, shall be posted to the website, and will be available upon request to Settlement Class Members.

56. The Notice and Claim Form will also be made available to all potential Settlement Class Members by request to the Claims Administrator, who shall send via first-class U.S. mail any of these documents as requested by any potential Settlement Class Member. If a Claimant ID Number is not available to the Claims Administrator for the potential Settlement Class Member, the Claims Administrator shall provide a Blank Claim Form to the requester with instructions that the Blank Claim Form must be mailed to the Claims Administrator postmarked by the Claims Submission Deadline with the Settlement Class Member name, policy number or claim number, address, and signature. A copy of the proposed Blank Claim Form is attached as Exhibit 6.

57. The Claims Administrator shall retain a record of all such Class Notice procedures and provide periodic updates to the Parties during the Class Notice period.

58. The Claims Administrator shall maintain a toll-free IVR telephone system containing recorded answers to frequently asked questions and information with respect to how a Class Member may receive further assistance.

59. The Claims Administrator shall rent a post office box to be used for receiving requests for exclusion, objections, notices of intention to appear, and any other settlement-related communications. Only the Claims Administrator, the Court, the Clerk of the Court, and their designated agents shall have access to this post office box, except as otherwise expressly provided in this Agreement.

60. Neither State Auto, nor Plaintiff, nor any of the Released Persons, nor any of the Releasing Parties, nor any of their counsel, shall be liable for any act, or failure to act, of the Claims Administrator.

## **V. CLAIMS PROCEDURE**

61. To be eligible for payment under this Settlement, a Settlement Class Member or his or her Legally Authorized Representative must timely submit a Valid Claim Form and must not have submitted a request for exclusion.

62. Settlement Class Members will be deemed Settlement Class Members unless they timely submit a written request for exclusion from the Settlement Class, postmarked no later than 30 days prior to the Final Approval Hearing.

63. To receive payment, a Settlement Class Member must submit a fully completed and signed Claim Form, postmarked or submitted online no later than the end of the Claim Period as listed in the Class Notice. The Claim Form shall require, at a minimum, that the Settlement Class Member affirm, under oath, the good faith belief that the information on the Claim Form is true and correct and that the Class Member believes he or she is entitled to the relief requested on the Claim Form and that he or she has not previously received a Vehicle Sales Tax payment from State

Auto on the relevant total loss claim and/or, in Missouri, a Vehicle Sales Tax credit or refund from the State of Missouri or the Missouri Department of Insurance (subject to verification by State Auto). If the Class Member did receive a prior Vehicle Sales Tax payment, credit or refund, or if the Class Member does not, after any deficiency notification is sent as referred to in Paragraph 64 below, answer the question of whether he, she or it has previously received a Vehicle Sales tax payment, credit, or refund, no sums shall be paid to that Class Member.

64. The Claims Administrator will promptly notify a Settlement Class Member if it deems that Person's Claim Form materially incomplete or deficient, and specify any additional information that must be submitted. Notification shall be by first-class mail unless the Settlement Class Member specifies another mode of notification. Such Settlement Class Members shall have 14 days from the date the notification is mailed, or until the expiration of the Claim Period, whichever is longer, to submit the requested information. If a deficiency notice is sent and no cure is made the Settlement Class Member's claim will be denied.

65. Settlement Class Payments shall be made on valid claims no later than 75 days after the Effective Date. Checks shall be valid for 180 days. If, within 30 days of the void date the claimant requests another check be issued it shall be reissued, with an additional 60 days before that check becomes void. No fund is being created by these payments. As a result, the sum of any unclaimed or voided Settlement Class Payments shall revert to State Auto.

#### **VI. CALCULATION OF PAYMENT AND STATE AUTO'S MONETARY AND NON-MONETARY OBLIGATIONS UNDER THE SETTLEMENT.**

66. The calculation and implementation of allocations of the Settlement Fund contemplated by this section shall be done by Class Counsel and State Auto for the purpose of compensating Settlement Class Members. The methodology provided for herein will be applied to the data as consistently, sensibly, and conscientiously as reasonably possible, recognizing and taking into consideration the nature and completeness of the data and the purpose of the computations.

A. The Parties have agreed that State Auto shall pay Settlement Class Members Vehicle Sales Tax at the applicable tax rate at the garage location, as reflected in State Auto's records, or the average applicable tax rate for the state, whichever is administratively feasible. The Settlement Administrator shall deny any claims by Class Members for whom sales tax was already paid by State Auto, and/or who received a Vehicle Sales Tax credit or refund if in Missouri, or who are otherwise ineligible for a claim payment due to the existence of a prior release of such claims or for any other reason, including the filing of duplicative Claim Forms or failure to fully complete the Claim Form.

67. Insureds, as used in the Settlement Class definition, will include all insureds with leased or owned vehicles in the Settlement Class.

68. As soon as practicable, but no later than 60 days from the Effective Date, State Auto shall send the Settlement Fund to the Settlement Administrator necessary to pay the full amount of the Settlement Class Member Payments.

69. All Settlement Class Members who submit completed Claim Forms by the Claims Deadline will be entitled to a payment and shall automatically receive their payment by check issued by the Settlement Administrator within 75 days of the Effective Date

70. In the event of any complications arising in connection with the issuance or cashing of a check, other than the Settlement Class Member's failure to timely deposit or cash the check, the Settlement Administrator shall provide written notice to Class Counsel and State Auto's Counsel. Absent specific instructions from Class Counsel and State Auto's Counsel, the Settlement Administrator shall proceed to resolve the dispute using its best practices and procedures to ensure that the funds are fairly and properly distributed to the Settlement Class Member entitled to the Settlement Class Member Payment.

71. For any returned checks, the Settlement Administrator shall make a reasonable effort to locate a current mailing address for the Settlement Class Members whose checks were returned (such as by running addresses of returned checks through the NCOA database to effectuate delivery of such checks). For any such recipients for whom updated addresses are

found, the Settlement Administrator shall make a single additional attempt to re-mail or re-issue a Settlement Class Member Payment to the updated address.

72. The check shall be valid for 180 days after the date of the check. No *cy pres* fund will be created, so any unclaimed checks revert to State Auto after the applicable time period for cashing of such checks.

73. To be potentially eligible for the Vehicle Sales Tax payments, a Settlement Class Member must have: (a) received a Total Loss Payment; and (b) submitted a timely and signed Valid Claim Form.

74. The Parties acknowledge and agree that this Agreement does not and shall not constitute an admission by State Auto that its payment or nonpayment of Vehicle Sales Tax on any individual claim or on any of the Settlement Class Members' claims was incorrect or improper.

75. The Settlement Class Payments set forth in this Section shall be the only payments to which any Settlement Class Member will be entitled.

76. The Settlement and Release contained therein shall be effective upon the finality of the Settlement, except that claims for non-payment of amounts due under this Settlement Agreement are not released until payments are made.

77. State Auto's liability under this Settlement shall be limited to: (a) paying the Settlement Class Payments to Eligible Settlement Class Members; (b) paying the costs of Class Notice and settlement administration, including the fees and costs of the Claims Administrator; (c) paying any attorneys' fee award awarded by the Court up to \$900,000.00, as set forth below in Section VIII ; (d) paying all mediation costs; and (e) paying any Class Representative award to the Named Plaintiff awarded by the Court up to \$5,000.00, as set forth below in Section VIII. In no event shall State Auto be liable under this Settlement to pay any additional amounts than those set forth above.

78. Non-Monetary Consideration: Upon the effective date of the settlement:

A. State Auto agrees to pay applicable Vehicle Sales Tax on total loss vehicles at the time of loss based on the Adjusted Vehicle Value of the loss vehicle, without requiring the

policyholder to provide proof that the policyholder purchased a replacement vehicle and without regard to whether the loss vehicle is leased or owned. To the extent the vehicle is leased, State Auto reserves the right to pay according to interest or proration.

B. State Auto reserves the right to change its practices in the event of a change in the applicable law and/or appropriate changes in the terms of the applicable State Auto insurance policies.

## **VII. COMMUNICATIONS WITH THE CLASS**

79. The Class Notice shall list Class Counsel's address and telephone number. Communications relating to the Action or this Settlement with Persons receiving Class Notices and Settlement Class Members shall be handled through Class Counsel, and/or the Claims Administrator, as necessary. Nothing in this Agreement shall be construed to prevent State Auto, its employees, attorneys, agents or representatives from communicating with Settlement Class Members in the normal course of its business operations, from submitting notices or other documents relating to this Agreement directly to Settlement Class Members and/or from continuing to adjust and resolve pending or future claims, even if they otherwise fall within the scope of this Agreement, before this Agreement is finally approved.

80. Neither State Auto nor Class Counsel shall be responsible in any way for any attorneys' lien submitted by any prior counsel for any of the Settlement Class Members, nor shall any attorneys' lien be created by any of the efforts by the Parties to effectuate any of the terms of this Agreement, and this provision shall be incorporated into the Final Judgment.

## **VIII. CLASS COUNSEL'S FEES AND COSTS AND CLASS REPRESENTATIVE FEES**

81. No compensation for Class Counsel was negotiated as part of this Settlement until all material terms were agreed upon. The Parties recognize that Class Counsel are entitled to seek an award of attorneys' fees and expenses for the work performed and the results obtained for the Class in the Action. Class Counsel intends to seek Court approval for a fee award not to exceed \$900,000.00, to be paid 15 days after the Effective Date. State Auto shall not oppose, either

directly or indirectly, an attorneys' fee request that does not exceed this amount. Under no circumstances will State Auto be obligated to pay any costs or sums in excess of \$900,000.00 for attorneys' fees and costs. The attorneys' fees and costs are separate from and not included in the payments to the Settlement Class and payments to the Class Representative, and are separate from and not included in the payments for class and claims administration. Class Counsel further agree that, to the extent a lesser amount of fees is awarded by the Court or any appellate court, it will not provide a basis for Class Counsel to terminate this Agreement. Class Counsel further agree that unless an award of a lesser amount of attorneys' fees is overturned on appeal, Class Counsel will accept the lesser amount of fees and costs.

82. Additionally, the Parties agree that Class Counsel will request a Class Representative Service Award to Carrie Andrews in the amount of \$5,0000.00, in recognition of the risk and effort undertaken in prosecuting this case, to be paid by State Auto within 15 days of the Effective Date, which State Auto will not oppose.

#### **IX. CONDITIONS OF SETTLEMENT AND EFFECT OF DISAPPROVAL, CANCELLATION OR TERMINATION OF AGREEMENT**

83. The Named Plaintiff, Settlement Class Members and State Auto consent to the entry of a Final Judgment substantially in the form attached as Exhibit 4, without material alteration to the terms, with the understanding that the Parties may include additional case law to support a final approval of the Settlement Agreement.

84. If the Court disapproves this Agreement, or if the Court enters the Final Judgment but it is reversed or vacated on appeal, this Agreement shall be null and void and of no force and effect. If the Court materially modifies any provision of the Agreement or proposed Final Judgment, or if either is materially modified on appeal or remanded to the Court for modification, or if any of the terms of this Agreement is impaired in any material way, then State Auto shall have the option of terminating this Agreement and withdrawing its consent to the entry of the Final Judgment, in which case this Agreement shall be null and void and of no force and effect, and the Parties will return to their respective positions in the litigation prior to the filing of the Motion for

Preliminary Approval Order. State Auto shall have 15 days from the event triggering its option to inform Class Counsel that it is exercising its option of terminating this Agreement.

85. If the Court does not finally approve the Settlement, all obligations of State Auto under this Agreement terminate, including but not limited to any obligation to pay attorneys' fees, and the Parties will return to their respective positions in the litigation prior to the filing of the Motion for Preliminary Approval Order. Additionally, the Parties agree that neither this Agreement, nor any pleading or other paper related in any way to this Agreement, nor any act or communication in the course of negotiating, implementing or seeking approval of this Agreement, shall be deemed an admission by State Auto that certification as a class is appropriate in any other litigation, or otherwise shall preclude State Auto from opposing or asserting any argument it may have with respect to certification of a class in this Action if the Settlement is not consummated.

86. State Auto, in its sole discretion, may elect to terminate this Agreement if more than three percent (3%) of potential Class Members object to and/or Opt-Out of this Settlement or if the Named Plaintiff or any Settlement Class Member with an attorney client relationship to Class Counsel or their firms, opts out, excludes himself or herself from, or objects to the Settlement Class or this Settlement. State Auto must exercise this right within 30 calendar days of the last day of the Opt-Out Period. In the event of a termination pursuant to this paragraph, the Parties will return to their respective positions in the litigation prior to the filing of the Motion for Preliminary Approval Order.

#### **X. FINAL APPROVAL OF SETTLEMENT**

87. Class Counsel will file a motion seeking the Court's Final Judgment as to the Proposed Settlement at a Final Approval Hearing to be held at a time, date, and location that will be stated in the Preliminary Approval Order, and listed in the Class Notice. The Parties will request that the Final Approval Hearing be held at the earliest date that is at least 130 days after the Preliminary Approval Order that the Court is available to hear the matter or as soon as possible thereafter. Class Counsel shall request the Court to enter a Final Judgment substantially in the form

of the Final Order and Judgment Approving Settlement and Dismissing Action with Prejudice attached hereto as Exhibit 4, approving the Proposed Settlement without material alteration, and directing the Parties and their counsel to comply with and consummate the terms of this Agreement, as well as:

- a) Certifying the Settlement Class for Settlement purposes;
- b) Finding that Class Counsel and the Named Plaintiff have adequately represented the Settlement Class;
- c) Finding that the Court has personal jurisdiction over the Named Plaintiff and all members of the Settlement Class for the purpose of this Settlement only, and that the Court has subject matter jurisdiction to approve the Agreement and all exhibits thereto;
- d) Finding that the terms of the Settlement are fair, reasonable, and adequate to the Settlement Class and in compliance with due process and Ohio, Illinois and Missouri law;
- e) Providing that each member of the Settlement Class who has not excluded him, her, or itself therefrom in accordance with the Court's prior orders shall be bound by the provisions of the Settlement, including the applicable Releases;
- f) Finding that the Class Notice implemented pursuant to this Settlement and approved by the Court was reasonable and the best practicable notice and satisfies the requirements of the Federal Rules of Civil Procedure, as well as all the requirements of due process under the Ohio, Illinois and Missouri and United States Constitutions;
- g) Dismissing all claims in the Action, and as otherwise set forth in this Agreement, on the merits and with prejudice, and entering final judgment thereon with a finding that there is no just reason to delay enforcement or appeal;
- h) Approving the payment of the attorneys' fees and costs to Class Counsel in conformity with the provisions of the Settlement; and

- i) Permanently barring and enjoining the Named Plaintiff and each and every Class Member, and their respective heirs, executors, administrators, partners, and agents, and the successors and assigns of each and any of them, from asserting, either directly or indirectly, individually, or in a representative capacity or on behalf of or as part of a class, and whether under State or Federal statutory or common law, any Released Claim against any Released Person;
- j) Ordering that Class Counsel and their respective firms (only to the extent that it is otherwise not violative of any applicable rules governing the practice of law) not represent, encourage, solicit or otherwise assist, in any way whatsoever (including, but not limited to referrals to other counsel) any opt out or any form of opt-out class, except for referring such person to the Notice or suggesting to any such person the option of obtaining separate counsel, without specifically identifying options for such counsel; and
- k) Retaining jurisdiction to enforce the Agreement and Final Judgment.

## **XI. EFFECTIVE DATE**

88. The “Effective Date” of this Agreement means the 30th day after the entry of the “Final Judgment” as defined herein, as long as no appeals are filed. If any appeals of such Final Judgment are filed the Effective Date will occur when the judgment has been affirmed and/or is beyond appeal.

## **XII. OBJECTIONS AND REQUESTS FOR EXCLUSION**

89. Settlement Class Members who wish to exclude themselves from the Settlement Class must prepare a written request for exclusion, postmarked not later than 30 days prior to the Final Approval Hearing. Written requests for exclusion must be signed and include the Settlement Class Member’s name, address, and telephone number, and expressly state the desire to be excluded from the Settlement Class. No Settlement Class Member may effect an exclusion of a class of individuals or represent such a class.

90. The Claims Administrator shall promptly log each request for exclusion that it receives and provide copies of the log and all such requests for exclusion to counsel for the Parties.

91. Settlement Class Members who do not file a timely request for exclusion may file a notice of intent to object to the Proposed Settlement, or intervene in the Action for the purpose of contesting the Proposed Settlement. The written notice of intent to object and/or intervene must be: (a) filed with the Clerk of the Court not later than 30 days prior to the Final Approval Hearing; and (b) sent by first-class mail, postmarked not later than 30 days before the date set for the Final Approval Hearing, to Class Counsel:

Amy Judkins  
NORMAND PLLC  
3165 McCrory Place, Suite 175  
Orlando, FL 32803

And to State Auto's Counsel:

Cleveland, OH 44114

Mark L. Hanover  
DENTONS US LLP

Suite 5900  
Chicago, IL 60606

92. Any Settlement Class Member who does not so request to object or intervene waives the right to do so in the future, and shall be forever barred from intervening or making any objection to the Proposed Settlement or Final Judgment. Any Notice of Intent to Object or Intervene must contain the following: (a) the name of the Action; (b) the objector's full name, address and telephone number; (c) all grounds for the objection, accompanied by any legal support for the objection known to the objector or objector's counsel; (d) the number of times the objector has objected to a class action settlement within the five years preceding the date that the objector

files the objection, along with the case name and number and the jurisdiction of the court for each said objection (if any); (e) the identity of all counsel who represent the objector, including any former or current counsel who may be entitled to compensation for any reason related to the objection to the Settlement or fee application; (f) the identity of all counsel (if any) representing the objector who will appear at the Final Approval Hearing; (g) a list of all persons who will be called to testify at the Final Approval Hearing in support of the objection; (h) a statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing; and (i) the objector's signature (an attorney's signature is not sufficient). The Parties must file any briefs in response to any objection on or before 10 days prior to the date of the Final Approval Hearing. Class Counsel and/or State Auto may conduct limited discovery on any objector consistent with the Federal Rules of Civil Procedure if approved by the Court upon a showing of good cause. Any Settlement Class Member who does not make his or her objections in the manner set forth above and by the Objection Deadline shall be deemed to have waived any objection(s) and shall be forever barred from raising such objections in this or any other action or proceeding, absent further order of the Court.

### **XIII. CONFIDENTIALITY OF PROPRIETARY INFORMATION**

93. State Auto asserts that the following constitutes highly confidential and proprietary business information of State Auto (the "Proprietary Information"): (a) any names, addresses, policy numbers, and other data concerning Settlement Class Members compiled by State Auto in effectuating the Proposed Settlement; and (b) any electronic data processing and other record keeping procedures and materials that may be utilized by State Auto in identifying the Settlement Class Members and effectuating State Auto's other obligations under this Agreement and/or the Settlement. The confidentiality of all Proprietary Information provided to Class Counsel by State Auto shall be protected from disclosure by Class Counsel and/or other attorneys for the Named Plaintiff in this Action, or any Settlement Class Member or their counsel, to any persons other than those described in Paragraph 94 below.

94. No persons other than State Auto, State Auto's counsel, and clerical/administrative personnel employed by State Auto or State Auto's counsel, Class Counsel and clerical/administrative personnel employed by Class Counsel, the Claims Administrator, if applicable, and such other persons as the Court may order, after hearing on notice to all counsel of record, shall be allowed access to any Proprietary Information.

95. Within 30 days after all of State Auto's obligations under this Settlement are effectuated, Class Counsel and/or other attorneys for the Named Plaintiff in this Action, or any Settlement Class Member or their counsel, shall destroy all Proprietary Information provided by State Auto to Class Counsel or anyone they employed or retained in this Action, either in discovery or in connection with this Agreement. Class Counsel shall deliver a letter to State Auto's counsel certifying their compliance with this Paragraph. Further, the Parties agree that neither Class Counsel, nor anyone employed with, retained by, or otherwise associated with Class Counsel, nor any other attorney or Person who shall have access to this information, shall use any of this Proprietary Information in any other litigation or proceeding, current or future, or for any other purpose whatsoever.

96. Class Counsel and the Named Plaintiff shall not make any statements to the media, orally or in writing, about the Action, or this Agreement, other than statements which are fully consistent with this Agreement and the Class Notice, except in a *bona fide* court proceeding relating to the subject matter of the Action, and shall not in any way make any statements disparaging of State Auto in any way related to the subject matter of the Action.

#### **XIV. DISMISSAL OF ACTION AND RELEASES**

97. Upon the Court's Final Approval of this Agreement and the Settlement set forth herein, the Final Judgment shall be entered providing for the dismissal, with prejudice and without leave to amend, of the Action, and the effectiveness of the Release by the Releasing Parties, including the Named Plaintiff, and including their past, present or future agents, legal

representatives, trustees, parents, relatives, estates, heirs, executors and administrators, of all Released Claims against the Released Persons.

98. Upon the Effective Date, by operation of the entry of the Final Judgment, the Releasing Parties, including the Named Plaintiff, and including their past, present or future agents, legal representatives, trustees, parents, relatives, estates, heirs, executors and administrators, shall be held to have fully released, waived, relinquished and discharged, to the fullest extent possible by law, the Released Persons from all the Released Claims.

99. Upon the Effective Date, the Releasing Parties, including the Named Plaintiff, and including their past, present or future agents, legal representatives, trustees, parents, relatives, estates, heirs, executors and administrators, expressly agree that they, acting individually or together, shall not seek to institute, maintain, prosecute, sue, or assert causes of action or proceedings against any of the Released Persons asserting any of the Released Claims.

100. Notwithstanding the Court's entry of the Final Judgment, the Court shall retain ongoing jurisdiction over this Action for purposes of enforcing and interpreting this Agreement and Final Judgment, including entering such orders and injunctions to prevent any collateral litigation that may be filed by Settlement Class Members, if necessary, and/or enforcing the litigation bar as to the Released Claims provided for by this Settlement.

#### **XV. DENIAL OF LIABILITY**

101. Were it not for this Settlement, State Auto would have vigorously contested each and every claim in the Action. State Auto maintains that it has consistently acted in accordance with governing laws at all times. State Auto vigorously denies all the material allegations set forth in the Action. State Auto nonetheless has concluded that it is in its best interest that the Action be settled on the terms and conditions set forth in this Agreement. State Auto reached this conclusion after considering the factual and legal issues in the Action, the substantial benefits of a final resolution of the Action, the expense that would be necessary to defend the Action through trial and any appeals that might be taken, the benefits of disposing of protracted and complex litigation,

and the desire of State Auto to conduct its business unhampered by the distractions of continued litigation. The settlement of this matter by State Auto, including, but not limited to, the terms and provisions of this Agreement, and any steps taken in accordance therewith, shall not be used in any way as precedent in any pending or future actions, including any actions against any of the Released Persons.

102. As a result of the foregoing, the Released Persons enter into this Agreement without in any way acknowledging any fault, liability, or wrongdoing of any kind. Neither this Agreement, nor any of its terms or provisions, nor any of the negotiations or proceedings connected with it, shall be construed as an admission or concession by the Released Persons of the truth of any of the allegations made in the Action, or of any liability, fault, or wrongdoing of any kind whatsoever on the part of the Released Persons.

103. To the extent permitted by law, neither this Agreement, nor any of its terms or provisions, nor any of the negotiations or proceedings connected with it, shall be utilized or offered as evidence or received in evidence in any pending or future civil, criminal, or administrative action or proceeding, for any purpose including to establish any liability or admission by the Released Persons, except in any proceedings brought to enforce the Agreement or the Final Judgment or otherwise with the written consent of State Auto at its sole discretion.

104. Neither this Agreement, nor any pleading or other paper related in any way to this Agreement, nor any act or communication in the course of negotiating, implementing or seeking approval of this Agreement, shall be deemed an admission by State Auto that certification of a class or subclass is appropriate in any other litigation, or otherwise shall preclude State Auto from opposing or asserting any argument it may have with respect to certification of any class(es) or subclass(es) in any proceeding. Nor may this Agreement be construed in any fashion as precedent for any matter similar to the instant one, or used as evidence of any kind, by any person or entity, in any action or proceeding against the Released Parties, as this Agreement has been entered into based on the particular facts of this matter alone.

## **XVI. REPRESENTATION OF OPT OUTS.**

105. Only to the extent that it is otherwise not violative of any applicable rules governing the practice of law, Class Counsel agree that any representation, encouragement, solicitation or other assistance, including, but not limited to, referral to other counsel, of any opt out or any other person seeking to litigate with any of the Released Persons over any of the Released Claims or to represent any form of opt-out class, could place Class Counsel in an untenable conflict of interest with the Class. Accordingly, Class Counsel and their respective firms agree (only to the extent that it is otherwise not violative of any applicable rules governing the practice of law) not to represent, encourage, solicit or otherwise assist, in any way whatsoever (including, but not limited to referrals to other counsel) any opt out or any form of opt-out class, except that referring such person to the Notice or suggesting to any such person the option of obtaining separate counsel, without specifically identifying options for such counsel, shall be permitted under the terms of this provision.

## **XVII. DECEASED CLASS MEMBERS**

106. Claims may be submitted, along with sufficient proof of representative status, by a Legally Authorized Representative on behalf of a deceased Settlement Class Member's estate.

## **XVIII. INCAPACITATED CLASS MEMBERS**

107. Claims may be submitted by a Legally Authorized Representative on behalf of an incapacitated Settlement Class Member.

## **XIX. TAX OBLIGATIONS**

108. Tax obligations which may arise by virtue of the Settlement Class Payments made pursuant to this Agreement, if any, are solely the responsibility of the Persons who receive such Settlement Class Payments, and are not in any way the responsibility of State Auto or Class Counsel. The Parties to this Agreement do not in any way express any belief or opinion regarding the existence of such tax obligations and do not undertake to provide any advice to any Settlement

Class Member regarding any tax obligations which may arise by virtue of any Settlement Class Payments made pursuant to this Agreement.

## **XX. MISCELLANEOUS PROVISIONS**

109. The Parties hereto agree to defend this Agreement against objections made to final approval of the Settlement or in any appeal of the Final Judgment or collateral attack on the Agreement or Final Judgment.

110. The undersigned counsel represent that they are fully authorized to execute and enter into the terms and conditions of this Agreement on behalf of their respective clients.

111. Except as otherwise provided, this Agreement contains the entire agreement between the Parties hereto, and supersedes any prior agreements or understandings between them. All terms of this Agreement are contractual and not mere recitals, and shall be construed as if drafted by all Parties hereto. The terms of this Agreement are and shall be binding upon each of the Parties hereto, their agents, attorneys, employees, successors and assigns, and upon all other Persons claiming any interest in the subject matter hereof through any of the Parties hereto, including any Settlement Class Member.

112. This Agreement may be amended or modified only by a written instrument signed by counsel for all Parties hereto. Non-material amendments and modifications may be made without additional notice to the Settlement Class Members unless such notice is required by the Court.

113. This Agreement shall be subject to, governed by, construed, and enforced pursuant to the laws of the State of Ohio.

114. The exhibits to this Agreement are an integral part of the Settlement and are hereby incorporated into and made a part of this Agreement.

115. To the extent permitted by law, this Agreement may be pleaded as a full and complete defense to, and may be used as the basis for an injunction against, any action, suit or other proceeding which may be instituted, prosecuted or attempted in breach of this Agreement.

116. This Agreement shall be deemed to have been executed upon the last date of execution by all the undersigned counsel.

117. This Agreement may be executed in counterparts, each of which shall constitute an original.

118. The Parties will request that the Court retain continuing jurisdiction for the specific purpose of any enforcement, suit, action, proceeding or dispute arising out of or relating to this Agreement and the Proposed Settlement embodied herein, and maintain jurisdiction over all Settlement Class Members. Specifically, the Parties shall request that the Court retain jurisdiction for purposes of: (a) implementation, enforcement, and administration of the Settlement, including any Releases in connection therewith; (b) resolution of any disputes concerning Settlement Class membership or entitlement to benefits under the terms of the Settlement; (c) enforcing and administering the Settlement and the Final Judgment until each and every act agreed to be performed by the Parties has been performed pursuant to this Agreement; and (d) other matters related to the foregoing.

119. Titles of sections to this Agreement are illustrative only and are neither binding on the Parties nor to be considered any part of the drafting history or other means of interpreting this Agreement. This Agreement shall be deemed to have been drafted by all the Parties hereto and their counsel.

IN WITNESS HEREOF, the undersigned, being duly authorized, have caused this Agreement to be executed on the dates shown below and agree that it shall take effect on the date it is executed by all of the undersigned.

DATED this 17<sup>th</sup> day of April, 2023.

**What is a Class Action?**

A class action is a lawsuit in which one or more individuals bring claims on behalf of other persons or entities. These persons or entities are referred to as a “Class” or “Class Members.” In a certified class action, the Court resolves certain issues, legal claims, and/or defenses for all Class Members in a single action, except for those persons or entities who ask in writing to be excluded from the Class.

**What is this Class Action About?**

Plaintiff alleges that State Auto (defined below) breached its contracts (insurance policies) by failing to pay applicable Vehicle Sales Tax to Plaintiff and other insured in Ohio, Illinois and Missouri who submitted physical damage claims for their vehicles during the class period, resulting in a total loss claim payment. State Auto maintains that it complied with the terms of the insurance policies and applicable law, has numerous merits and class defenses, and denies that it acted wrongfully or unlawfully and continues to deny all material allegations.

You are receiving this Notice because a Settlement of the case has been reached between the Plaintiff, acting on behalf of the Class, and State Auto. The Court has preliminarily approved the Settlement, including the preliminary approval of a Settlement Class.

The Court is conducting a Final Approval Hearing on \_\_\_\_\_, 2023 to decide whether to grant final approval of the Proposed Settlement.

### Settlement Terms

As a part of the Settlement, State Auto Mutual Insurance Company (“State Auto” or “Defendant”) has agreed to:

1. pay eligible members of the Class for unpaid Vehicle Sales Tax that Plaintiff alleged she and Class Members are owed; and
2. Separately pay attorneys’ fees not to exceed \$900,000.00, and a Service Award not to exceed \$5,000.00 to the Class Representative, which will not come from nor reduce any payment made to Settlement Class Members, with both amounts to be approved by the Court.

If you already were paid Vehicle Sales Tax on your total loss claim, and/or if you received a Vehicle Sales Tax credit or refund if in Missouri, or you are otherwise ineligible for a claim payment due to the existence of a prior release of such claims or for any other reason, including the filing of duplicative Claim Forms or failure to fully complete the Claim Form, you are not eligible for a payment.

In exchange, the Plaintiff and the members of the Class who do not exclude themselves from the Settlement agree to give up any claim they have for payment of Vehicle Sales Tax. If you are a member of the Class, you can submit a claim to be paid for Vehicle Sales Tax. Alternatively, you may, if you wish, request to be excluded from the Settlement, which means you are not eligible for payment, and you maintain your right to sue State Auto individually and separately for payment of Vehicle Sales Tax. You may also object to the terms of the Settlement if you comply with the requirements set forth below.

#### How Do I Know if I am a Member of the Class?

You may be a member of the class action (a “Class Member”) against State Auto if you were an Ohio, Illinois or Missouri policyholder and insured by State Auto and submitted a physical damage claim with respect to a covered vehicle, for Ohio, during the period commencing December 21, 2013 through September 1, 2022, and for Illinois and Missouri, during the period commencing December 21, 2011 through September 1, 2022, that resulted in a total loss claim payment that did not include Vehicle Sales Tax. You received this Notice because State Auto’s records indicate you may be a member of the Class.

#### If I Am a Class Member, What Are My Options?

If you are a Class Member, you have four options.

##### **Option 1: Submit a Claim Form for Payment.**

You may submit a Claim Form for payment of Vehicle Sales Tax. If you received a Notice in the mail, the Notice included a pre-filled Claim Form. You can submit a claim by signing the Claim Form, carefully tearing at the perforation, and putting the Claim Form in the mail (the Claim Form is addressed and has necessary postage prepaid). You can call 1-8XX-XXX-XXXX or visit [www.xyz.com](http://www.xyz.com) and request that the Settlement Administrator send you a Claim Form as described above (or a blank form that you will need to fill out).

You can also submit an Electronic Claim Form by visiting [www.xyz.com](http://www.xyz.com), clicking the MAKE A CLAIM button, and following the steps outlined for you. An email relating to the Settlement also has been sent to Settlement Class Members for whom State Auto has email addresses. The email has a link to permit you to access the website to make a claim using a Claimant ID Number contained in the email and the Mailed Notice.

You can make a claim on [www.xyz.com](http://www.xyz.com) by clicking the MAKE A CLAIM button. You will need a Claimant ID Number (which was included in the Mailed Notice and Email Notice) or your last name and Policy number or claim number. If you do not know your Claimant ID Number, you can call 1-8XX-XXX-XXXX and provide your last name and seek assistance in determining your Claimant ID Number. You can also fill out the information in an electronic blank form.

If you submit a Claim Form in the mail, it must be postmarked no later than \_\_\_\_\_. If you submit an Electronic Claim, you must do so by 11:59 p.m. on \_\_\_\_\_.

**Option 2: Exclude yourself from the Case.**

You have the right to not be part of the Settlement by excluding yourself or “opting out” of the Class. If you wish to exclude yourself, you must do so on or before \_\_\_\_, 2023, as described below. You do not need to hire your own lawyer to request exclusion from the Class. If you exclude yourself from the Class, you give up your right to receive a payment for Vehicle Sales Tax, or any other benefits as part of this Settlement, and you will not be bound by any judgments or orders of the Court, whether favorable or unfavorable. However, you will keep your right to sue State Auto separately in another lawsuit if you choose to pursue one.

To exclude yourself from this lawsuit and/or preserve your right to bring a separate case, you must make a request to be excluded in writing and, with sufficient postage, mail the request to:

Andrews v. State Auto Mutual Insurance Company  
c/o NAME  
ADDRESS  
ADDRESS

A request for exclusion must be postmarked on or before \_\_, 2023.

Your request for exclusion must contain the following:

1. The name of the lawsuit (Andrews v. State Auto Mutual Insurance Company);
2. Your full name;
3. Your current address;
4. A clear statement that you wish to be excluded from the Class, such as: “I request exclusion from the Class”; and
5. Your signature.

The Settlement Administrator will file information on your request for exclusion with the Court. If you are signing on behalf of a Class Member as a legal representative (such as an estate, trust or incompetent person), please include your full name, contact information, and the basis for your authority. A request for exclusion must be exercised individually and not on behalf of a group.

IF YOU DO NOT EXCLUDE YOURSELF FROM THE CLASS BY THE POSTMARK DEADLINE OF \_\_\_\_, 2023, YOU WILL REMAIN PART OF THE CLASS AND WILL BE BOUND BY THE ORDERS OF THE COURT IN THIS LAWSUIT, AND BY THE TERMS OF THE SETTLEMENT IF IT IS APPROVED BY THE COURT, EVEN IF YOU DO NOT SUBMIT A CLAIM FOR PAYMENT. IF YOU DO NOT WISH TO BE BOUND BY THE DECISIONS OR SETTLEMENT IN THIS CASE, YOU MUST REQUEST EXCLUSION FROM THE CLASS ACTION.

**Option 3: Object to the Terms of the Settlement.**

The full terms of the Settlement can be found at [www.xyz.com](http://www.xyz.com). If you think the terms of the Settlement are not fair, reasonable, or adequate to the Class Members, you can file a Notice of Intent to object to the terms of the Settlement. If you object to the terms of the Settlement, you cannot request exclusion from the Settlement. If you object to the terms of the Settlement and your objection is overruled, you will be bound by the terms of the Settlement and all rulings and orders from the Court. If you object to the terms of the Settlement, you may be subject to limited discovery consistent with the Federal Rules of Civil Procedure if approved by the Court upon a showing of good cause.

To properly object to the terms of the Settlement, you must send, with sufficient postage, a Notice of Intent to object to the terms of the Settlement and to appear at the Final Approval Hearing (described below) to the following:

Andrews v. State Auto Mutual Insurance Company  
c/o NAME  
ADDRESS  
ADDRESS

The Notice of Intent must include the following:

1. The name of the Action (Andrews v. State Auto Mutual Insurance Company);
2. The objector’s full name, address, and telephone number;
3. All grounds for the objection, accompanied by any legal support for the objection known to the objector or objector’s counsel;
4. The number of times the objector has objected to a class action settlement within the five years preceding the date that the objector files the objection, along with the case name and number and the jurisdiction of the court for each said objection (if any);
5. The identity of all counsel who represent the objector, including any former or current counsel who may be entitled to compensation for any reason related to the objection to the Settlement or fee application;
6. The identity of all counsel (if any) representing the objector who will appear at the Final Approval Hearing;
7. A list of all persons who will be called to testify at the Final Approval Hearing in support of the objection;
8. A statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing; and
9. The objector’s signature (an attorney’s signature is not sufficient).

If you and/or your attorney intend to request permission to address the Court at the Final Approval Hearing, your Notice of Intent must also include the following:

A list of any witnesses you may seek to call at the Fairness Hearing (subject to applicable rules of procedure and evidence and the discretion of the Court), with the address of each witness.

Notices of Intent to object must be postmarked by \_\_\_\_\_, 2023. If any Notice of Intent is not postmarked by the deadline set forth above or does not comport with the requirements listed above you will waive the right to be heard at the Final Approval Hearing. If you file a Notice of Intent, you waive the right to request exclusion from the Class and will be bound by any decisions and orders from the Court and by the terms of the Settlement if it is approved by the Court. If you do not want to be bound by the decisions and rulings by the Court and the terms of the Settlement, you must file a request for exclusion, not a Notice of Intent.

**Option 4: Do Nothing Now. Stay in the Case.**

You have the right to do nothing. If you do nothing, you will be bound by the terms of the Settlement and will release any claim against State Auto for Vehicle Sales Tax, even if you do not submit a Claim for payment. In other words, if you do nothing, you will give up your right to sue State Auto and receive nothing in return.

**Who Is Representing the Class?**

The Court has preliminarily appointed Carrie Andrews (the “Named Plaintiff” ) to be the representative of the Class. The Court has also preliminarily appointed the following lawyers as Class Counsel for those Class Members:

<p><b>NORMAND PLLC</b>  Edmund Normand, Esq.  ean@normandpllc.com  Amy Judkins, Esq.  amy.judkins@normandpllc.com  3165 McCrory Place, Suite 175  P.O. --	--

These lawyers are experienced in handling class action lawsuits, including actions on behalf of insured policyholders. More information about Class Counsel is available on their websites listed above.

Class Counsel will file an application for attorneys’ fees of no more than \$900,000 dollars, subject to approval by the Court. State Auto has agreed to pay Class Counsel that amount if approved by the Court. Payment of attorneys’ fees and costs has no impact on and does not affect or reduce in any way the amount of money that will be paid to Class Members. If the Court grants Class Counsel’s request, and in whatever amount the Court approves Class Counsel’s Request, the attorneys’ fees and costs will be paid separately by State Auto. If you submit a valid claim for payment, you will receive payment for Vehicle Sales Tax, and that amount will not be reduced to pay Class Counsel fees and/or costs. You will not be personally responsible for any fees, costs or expenses incurred by Class Counsel relating to the prosecution of this case.

Class Counsel will also seek a Class Representative Service Award to the Named Plaintiff in the amount of \$5,000, subject to Court approval. The award is designed to reward the Named Plaintiff for securing the recovery awarded to members of the Class, which is the full amount of damages the Named Plaintiff alleged is owed to Class Members, and to acknowledge the time spent by the Named Plaintiff in providing discovery, participating in the case and mediation, and prosecuting the claim for the benefit of the Class.

State Auto has agreed to pay the Class Representative Service Award to the Named Plaintiff up to the amount of \$5,000. Payment of the Class Representative Service Award has no impact on and does not affect in any way the amount of money that will be paid to Settlement Class Members. If the Court grants the request for a Class Representative Service Award, and in whatever amount the Court approves the request, the Class Representative Service Award will be paid separately by State Auto, and will not affect or reduce in any way the amount of money paid to Class Members. If you submit a valid claim for payment, you will receive payment for Vehicle Sales Tax, and that amount will not be reduced to pay the Class Representative Award.

### **What Claim(s) Against State Auto Are Class Members Releasing?**

As a part of the Settlement, Class Members agree to release State Auto and not to sue State Auto for all Released Claims, which are any and all known and unknown claims, rights, demands, allegations, actions, suits or causes of action of whatever kind or nature, whether *ex contractu* or *ex delicto*, debts, liens, liabilities, agreements, interests, costs, expenses, attorneys' fees, losses or damages (whether actual, consequential or treble) statutory, common law or equitable, including but not limited to breach of contract, bad faith or extra-contractual claims, and claims for punitive or exemplary damages, or prejudgment or postjudgment interest, arising from or relating in any way to State Auto's alleged failure to pay appropriate Vehicle Sales Tax to Plaintiff and all Settlement Class Members with respect to any Settlement Class Member Claims for a total loss vehicle during the Class Period under an automobile insurance policy issued by State Auto based on any legal theory whatsoever relating to payment of Vehicle Sales Tax to the fullest extent of the law and res judicata and/or claim preclusion protections. Released Claims do not include any claim for enforcement of the contemplated Settlement Agreement and/or Final Order and Judgment. Released Claims also do not include any claims, actions, or causes of action alleging that State Auto failed to properly calculate the value of total loss vehicles except to the extent that such claims, actions, or causes of action relate to failure to pay any or sufficient Vehicle Sales Tax. Unknown Claims means any unknown Released Claims arising out of facts found hereafter to be other than or different from the facts now believed to be true and relating to Vehicle Sales Tax to the full extent permitted by law and to the full extent of res judicata and/or claim preclusion protection.

IT IS SO ORDERED, HONORABLE ALGENON L. MARBLEY

DATED: \_\_\_\_\_ ##, 2023.

# **EXHIBIT 4**

**IN THE UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF OHIO  
EASTERN DIVISION**

CARRIE ANDREWS, individually and on behalf of all others similarly situated,

Plaintiff,

v.

STATE AUTO MUTUAL INSURANCE COMPANY,

Defendant.

CASE NO. 2:21-cv-05867-ALM-CMV  
CHIEF JUDGE ALGENON L. MARBLEY  
MAGISTRATE JUDGE VASCURA

**[PROPOSED] ORDER APPROVING SETTLEMENT  
AND JUDGMENT OF DISMISSAL WITH PREJUDICE**

The Parties have reached a settlement in this case. Through an unopposed motion for final approval of class settlement, they seek, among other things, that the Court (1) certify the proposed class for settlement purposes; (2) approve the Class Action Settlement Agreement; (3) find that notice to the Settlement Class was fair, adequate, and comported with due process; and (4) enter an order finally approving the Settlement and of Final Judgment of Dismissal with Prejudice. For the reasons stated below, the Motion is granted.

Plaintiff Carrie Andrews, individually and on behalf of the proposed Settlement Class, and Defendant, State Auto Mutual Insurance Company, have agreed, subject to approval by the Court, to settle this Action upon the terms and conditions in the Agreement; and

The Parties have made an application for approval of the Settlement of this Action, as set forth in the Agreement; and

On \_\_\_\_, 2023, the matter of the Court’s final approval of the Agreement submitted on \_\_\_\_, 2023 by the Motion for Order Preliminarily Approving Settlement, Approving Notice to Class Members, and Setting Date for Settlement Fairness Hearing, came before the Court for

consideration. Appearing on behalf of the Named Plaintiff and the Settlement Class was Chris Gold, Edelsberg Law, Suite 417, 20900 NE 30th Avenue, Aventura, FL 33180 \_\_\_\_\_ (“Class Counsel”). Appearing on behalf of Defendant was Mark L. Hanover, Dentons US LLP, 233 South Wacker Drive, Suite 5900, Chicago, Illinois 60606.

WHEREAS, the Named Plaintiff, Carrie Andrews, on behalf of herself and the proposed Settlement Class, and Defendant, State Auto Property Mutual Insurance Company, individually and on behalf of all affiliated entities (collectively, “State Auto,” as defined in the Agreement), have executed and filed the Agreement with the Court on \_\_, 2023; and

WHEREAS, all capitalized terms used herein shall have the same meaning as set forth in the Agreement and are hereby incorporated by reference, and this Order incorporates by reference the definitions in the Agreement; and

WHEREAS, the Court, on \_\_\_\_\_, 2023, entered the Order Re: Preliminary Approval of Settlement and Approval of Notice of Pendency of Settlement of Class Action to Class Members (“Preliminary Approval Order”), preliminarily approving the Proposed Settlement and conditionally certifying this Action, for settlement purposes only, as a class action; and

WHEREAS, Carrie Andrews was approved in the Preliminary Approval Order as the Class Representative; and

WHEREAS, the Court, as part of its Preliminary Approval Order, directed that a plan for disseminating notice of the settlement (“Notice Plan”) be implemented, and scheduled a hearing to be held on \_\_\_\_\_, 2023, to determine whether the Proposed Settlement should be approved as fair, reasonable and adequate; and

WHEREAS, State Auto and Class Counsel have satisfactorily demonstrated to the Court that the Notice Plan was followed; and

WHEREAS, a Final Approval Hearing was held on \_\_\_\_\_ 2023, at which all interested persons were given an opportunity to be heard, and at which there were no objections lodged to the Settlement; and

The Court, having read and considered the Agreement and the exhibits thereto, and having read and considered all other papers filed and proceedings had herein, and being otherwise fully informed, and with good cause appearing,

**IT IS HEREBY ORDERED:**

1. This Order incorporates by reference and utilizes the definitions in the Agreement.
2. The Court has jurisdiction over the subject matter of this Action and over all Parties to this Action.
3. The Complaint filed in this Action alleges generally that State Auto improperly failed to pay Vehicle Sales Tax when adjusting total loss claims in Ohio, Illinois and Missouri.
4. The Court approves the Agreement, and finds the Settlement to be fair, reasonable, and adequate to the Settlement Class, but such finding is not to be deemed an admission of liability or fault by State Auto or by any other Person, or a finding of the validity of any claims asserted in the Action or of any wrongdoing or of any violation of law by State Auto. The settlement of this matter by State Auto, including, but not limited to, the terms and provisions of the Agreement, and any steps taken in accordance therewith, shall not be used in any way as precedent in any pending or future actions, including any actions against any of the Released Persons.
5. The Court appoints Carrie Andrews as Class Representative, and Normand PLLC, Edelsberg Law, P.A., and Shamis & Gentile, P.A as Class Counsel.
6. The Court finds the Class Notice constituted the best notice practicable under the circumstances, by providing individual notice on two occasions to all Class Members who were identified through reasonable effort, and constituted valid and sufficient notice to all Persons entitled thereto, complying fully with the requirements of Fed. R. Civ. P. 23 and due process.
7. The Court reaffirms and reappoints Epiq, LLC as the Settlement Administrator.
8. Consistent with the Agreement, the Court certifies for purposes of settlement the following Settlement Class:

All Insureds, under any Ohio, Illinois and Missouri personal automobile insurance policy issued by State Auto and its subsidiaries or related insurance companies with the same operative policy language covering a vehicle with auto physical damage coverage for comprehensive or collision loss who made a first-party claim which State Auto paid as a total loss within the Class Period, who do not timely opt out from the Settlement Class (the “Settlement Class Members”). Excluded from the Settlement Class are State Auto’s agents, employees, subsidiaries, parents, and related entities, as well as the Judge assigned to this matter and the Judge’s staff and employees. Also excluded from the Class are Class Counsel.

9. For purposes of Settlement, the threshold requirements and Rule 23 requirements for class certification are met. Plaintiff possesses Article III standing and the proposed Settlement Class is adequately defined and clearly ascertainable. The Settlement Class is adequately defined because the class definition is clear and precise, is based on objective criteria, and, because it only includes insureds who also suffered redressable harm, is not overbroad.

10. For purposes of settlement, the Class is sufficiently numerous, there are questions of law and fact common to the Settlement Class, Plaintiff’s claim is typical of the Settlement Class, and both Plaintiff and Class Counsel are adequate representatives of the Settlement Class. *See generally Beattie v. CenturyTel, Inc.*, 511 F.3d 554, 560 (6th Cir. 2007) (to certify a class, Rule 23(a) requirements of numerosity, commonality, typicality, and adequacy must be satisfied).

11. For purposes of settlement, questions common to the class predominate over any individual questions, and class treatment is superior to alternative forms of adjudication. *See generally id.* (predominance and superiority requirements must be met to certify a class under Rule 23(b)(3)).

12. The Named Plaintiff and State Auto have entered into the Agreement which has been filed with the Court. The Agreement provides for the Settlement of this Action with State Auto on behalf of the Named Plaintiff and the Settlement Class Members, subject to approval by the Court of its terms. The Court scheduled a hearing to consider the approval of the Settlement and directed that the Class Notice be disseminated in accordance with the terms of the Preliminary Approval Order.

13. In accordance with the terms of the Settlement and the Preliminary Approval Order, the Parties implemented the Notice Plan approved by the Court. State Auto's counsel and Class Counsel have confirmed to the Court that the Parties complied with the Notice Plan.

14. The Court hereby finds that the Notice Plan and the Class Notice constituted the best notice practicable under the circumstances, and constituted valid, due and sufficient notice to members of the Settlement Class. The Named Plaintiff and State Auto have applied to the Court for final approval of the terms of the Proposed Settlement and for the entry of this Final Judgment. Pursuant to the Class Notice, a hearing was held before this Court, on \_\_\_\_\_ 2023, to determine whether the Proposed Settlement of the Action should be finally approved as fair, reasonable, and adequate, and whether the Final Judgment approving the Settlement and dismissing all claims in the Action on the merits, with prejudice and without leave to amend should be entered.

15. There is a strong federal policy "favoring settlement of class actions." *UAW v. General Motors Corp.*, 497 F.3d 615, 633 (6th Cir. 2007). The Court finds that both procedural or threshold requirements set forth in Fed. R. Civ P. 23(e)(2) are satisfied. First, given the extensive discovery and dispositive motion litigation that occurred prior to settlement discussions, Plaintiff and Class Counsel possessed sufficient information and knowledge of the claims, issues, and defenses prior to negotiating and settling the claims. *See generally Cook v. Gov't Emples. Ins Co.*, No. 6:17-cv-891-ORL-40KRS, 2020 U.S. Dist. LEXIS 111956, at \*18 (M.D. Fla. Jun. 22, 2020) (observing that the Rule 23(e)(2) adequacy requirement is distinct from Rule 23(a)(1) and is meant to ensure the class representatives possessed an adequate information base prior to engaging in settlement).

16. Second, the negotiations, which occurred under the direction of a well-respected mediator, were clearly conducted at arm's length. *See generally Bert v AK Steel Corp.*, No. 1:02-CV-467, 2008 U.S. Dist. LEXIS 111711, at \*6-7 (S.D. Ohio Oct. 23, 2008) ("The participation of an independent mediator in settlement negotiations virtually [e]nsures that the negotiations were conducted at arm's length and without collusion between the parties").

17. Fed. Rule Civ. P. 23(e)(2)(C)-(D) establishes four substantive factors relevant to the class settlement analysis: the costs and risk of trial and appeal, the method of claim distribution, the

terms of attorneys' fees, and whether class members are treated equitably vis a vis each other. As set forth in this Court's Order granting preliminary approval, these factors weigh in favor of approval.

18. The claim-processing method is straightforward, requiring merely attesting to a pre-filled, postage-prepaid Claim Form. As such, Rule 23(e)(2)(C)(ii)—the method for “distributing relief” and “processing class-members claims”—weighs in favor of approval.

19. Additionally, the Parties did not discuss attorneys' fees until after agreement was reached concerning the substantive terms of the Agreement and State Auto agreed to separately pay attorneys' fees and costs—meaning Class Members' recoveries will not be impacted or reduced in any way—which counsels in favor of approval.

20. The substantive factors set forth in *UAW*, 497 F.3d 615, that do not overlap with Fed R. Civ. P. 23(e)(2)—the opinions of class counsel, the public interest, and the reaction of absent class members—also weigh in favor of approval. Class Counsel here are familiar with State Auto's data systems and business practices and procedures, and it is their well-considered opinion that the proposed Settlement is favorable to the Settlement Class.

21. In addition, there were \_\_\_\_\_ objections and \_\_\_\_\_ opt outs, which is strong evidence in support of the fairness and reasonableness of the Settlement terms.

22. As such, the Court **GRANTS FINAL APPROVAL OF** the Settlement, and the Parties are hereby directed to consummate the Settlement in accordance with its terms.

23. The Class Claims in this Action are dismissed in their entirety, on the merits, with prejudice and without leave to amend, and the Named Plaintiff and all members of the Settlement Class, the Releasing Parties, and any of their respective heirs, executors, administrators, partners, agents, and the successors and assigns of each of them, shall be forever barred and permanently enjoined from asserting, either directly or indirectly, individually, or in a representative capacity or on behalf of or as part of a class, and whether under State or Federal statutory or common law, any Released Claim against any Released Person.

24. As of the Effective Date, by operation of the entry of the Final Judgment, each Settlement Class Member shall be deemed to have fully released, waived, relinquished and discharged, to the fullest extent permitted by law, all Released Claims that the Released Parties may have against all the Released Persons.

25. “Released Claims” means and includes any and all known and unknown claims, rights, demands, allegations, actions, suits or causes of action of whatever kind or nature, whether *ex contractu* or *ex delicto*, debts, liens, liabilities, agreements, interests, costs, expenses, attorneys’ fees, losses or damages (whether actual, consequential or treble) statutory, common law or equitable, including but not limited to breach of contract, bad faith or extra-contractual claims, and claims for punitive or exemplary damages, or prejudgment or postjudgment interest, arising from or relating in any way to State Auto’s alleged failure to pay appropriate Vehicle Sales Tax to Plaintiff and all Settlement Class Members with respect to any Settlement Class Member Claims for a total loss vehicle during the Class Period under an automobile insurance policy issued by State Auto based on any legal theory whatsoever relating to payment of Vehicle Sales Tax to the fullest extent of the law and res judicata and/or claim preclusion protections. Released Claims do not include any claim for enforcement of the contemplated Settlement Agreement and/or Final Order and Judgment. Released Claims also do not include any claims, actions, or causes of action alleging that State Auto failed to properly calculate the value of total loss vehicles except to the extent that such claims, actions, or causes of action relate to failure to pay any or sufficient Vehicle Sales Tax.

26. “Released Persons” means State Auto, as defined in the Agreement, and any of its parents, subsidiaries, affiliates, past, present or future officers, stockholders, attorneys, insurers, reinsurers, excess insurers, directors, agents, employees and/or independent contractors, and/or any other successors, assigns, divisions, or legal representatives thereof, and on behalf of any other Person or entity who or which might be liable on the basis of any conduct by any of the foregoing.

27. “Releasing Parties” means the Named Plaintiff and the Settlement Class Members who do not otherwise timely opt-out of the Settlement Class, and their heirs, predecessors, successors,

assigns, family members, personal representatives, attorneys, officers, stockholders, shareholders, principals, owners, agents, fiduciaries, spouses, children, dependents, parents, creditors, judgment creditors, representatives, employees, employers, executors, administrators, conservators, receivers, subrogees, trusts, trustees, members, servants, independent contractors, lessors, lessees, executors, administrators, insurers, reinsurers, underwriters, directors and/or past, present and/or future parent, subsidiaries and/or affiliated corporations, partnerships and/or other entities, and on behalf of any other Person or entity who or which could or might assert any claim under or through any of the foregoing.

28. “Unknown Claims” means any unknown Released Claims arising out of facts found hereafter to be other than or different from the facts now believed to be true and relating to Vehicle Sales Tax to the full extent permitted by law and to the full extent of res judicata and/or claim preclusion protection.

29. Within 30 days after all of State Auto’s obligations under this Settlement are effectuated, Class Counsel and/or other attorneys for the Named Plaintiff in this Action, or any Settlement Class Member or their counsel, shall destroy all Proprietary Information provided by State Auto to Class Counsel or anyone they employed or retained in this Action, either in discovery or in connection with this Agreement. Class Counsel shall deliver a letter to State Auto’s counsel certifying their compliance with this Paragraph. Further, the Parties agree that neither Class Counsel, nor anyone employed with, retained by, or otherwise associated with Class Counsel, nor any other attorney or Person who shall have access to this information, shall use any of this Proprietary Information in any other litigation or proceeding, current or future, or for any other purpose whatsoever.

30. The Agreement, the Settlement and this Final Judgment are not to be deemed admissions of liability or fault by State Auto, or a finding of the validity of any claims in the Action or of any wrongdoing or violation of law by State Auto. The Agreement and Settlement are not a concession by the Parties and, to the extent permitted by law, neither this Final Judgment nor the Settlement, nor any of its terms of provisions nor any of the negotiations or proceedings connected with it,

shall be utilized or offered as evidence or received in evidence in any pending or future civil, criminal, or administrative action or proceeding, for any purpose including to establish any liability or admission by any of the Released Persons, except in any proceedings brought to enforce the Agreement or the Final Judgment otherwise with the written consent of State Auto at its sole discretion. Nor may this Agreement be construed in any fashion as precedent for any matter similar to the instant one, or used as evidence of any kind, by any person or entity, in any action or proceeding against the Released Parties, as this Agreement has been entered into based on the particular facts of this matter alone. However, State Auto may use the Agreement or the exhibits thereto, and the Settlement, and/or any related document, in any action that may be brought against it in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion relating to the Released Claims set out in the Agreement.

31. Only to the extent that it is otherwise not violative of any applicable rules governing the practice of law, Class Counsel agree that any representation, encouragement, solicitation or other assistance, including, but not limited to, referral to other counsel, of any opt out or any other person seeking to litigate with any of the Released Persons over any of the Released Claims or to represent any form of opt-out class, could place Class Counsel in an untenable conflict of interest with the Class. Accordingly, Class Counsel and their respective firms agree (only to the extent that it is otherwise not violative of any applicable rules governing the practice of law) not to represent, encourage, solicit or otherwise assist, in any way whatsoever (including, but not limited to referrals to other counsel) any opt out or any form of opt-out class, except that referring such person to the Notice or suggesting to any such person the option of obtaining separate counsel, without specifically identifying options for such counsel, shall be permitted under the terms of this provision.

32. The Court has also considered the application of attorneys' fees and costs and a service award to the Named Plaintiff.

33. The Sixth Circuit has articulated six factors to consider in analyzing the reasonableness of a requested fee amount: (1) the value of the benefit conferred, (2) society's stake in rewarding attorneys who produce such benefits to incentive others, (3) whether the services were undertaken on a contingent fee basis, (4) the value of the services on an hourly basis, (5) the complexity of the litigation, and (6) the professional skill of counsel on both sides *Ramey v. Cincinnati Enquirer, Inc.*, 508 F.2d 1188, 1196 (6th Cir. 1974). The Court finds that the request for attorneys' fees, service award and costs is consistent with the application of these factors.

34. The totality of the *Ramey* factors supports the requested fee award of \$900,000.00 in attorneys' fees and costs and a service award of \$5,000.00 to the Class Representative. Accordingly, the Court hereby **GRANTS** Plaintiff's Motion for Attorneys' Fees and Costs and Service Award.

As such, it is hereby **ORDERED** and **ADJUDGED**:

35. The benefits of the Settlement are fair, reasonable, and adequate. Further, for purposes of settlement, the proposed Settlement Class meets the requirements of Fed R. Civ. P. 23(a) and (b)(3), and the Court therefore certifies the Settlement Class as defined in the Settlement Agreement. Finally, the requested attorneys' fees, costs, and service award are reasonable.

36. All Releasing Parties are hereby barred and enjoined from asserting any Released Claims against Defendant or its affiliates at any time. Defendant and the Released Parties are released from the Released Claims. This Court reserves continuing and exclusive jurisdiction over the Parties to this Agreement, including Defendant and Settlement Class Members, to administer, supervise, construe, and enforce this Agreement in accordance with its terms.

37. In accordance with Fed. R. Civ. P. 54, this Final Order and Judgment is a final and appealable order. Specifically, this Final Judgment is a final order in the Action within the meaning and for the purposes of the Federal Rules of Civil Procedure as to all claims among State Auto on the one hand, and the Named Plaintiff and all Settlement Class Members, on the other, and there is no just reason to delay enforcement or appeal.

38. The Clerk of this Court is directed to enter a final judgment of dismissal and close this case.

39. Without in any way affecting the finality of this Final Judgment, this Court shall retain continuing jurisdiction over this Action for purposes of:

- (A) Enforcing this Final Judgment, the Agreement and the Settlement;
- (B) Hearing and determining any application by any Party to the Settlement for a settlement bar order; and
- (C) Any other matters related or ancillary to any of the foregoing.

IT IS SO ORDERED this \_\_\_\_ day of \_\_\_\_\_, 2023.

UNITED STATES DISTRICT JUDGE

# **EXHIBIT 5**

**IN THE UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF OHIO  
EASTERN DIVISION**

CARRIE ANDREWS, individually and on behalf of all others similarly situated,

Plaintiff,

v.

STATE AUTO MUTUAL INSURANCE COMPANY,

Defendant.

CASE NO. 2:21-cv-05867-ALM-CMV  
CHIEF JUDGE ALGENON L. MARBLEY  
MAGISTRATE JUDGE VASCURA

**PRELIMINARY APPROVAL ORDER**

The Court has reviewed Plaintiff Carrie Andrews’ Unopposed Motion for Preliminary Approval of the Settlement Agreement and Releases entered into between Plaintiff, individually, and on behalf of the proposed Settlement Class, and Defendant State Auto Property and Casualty Insurance Company (“State Auto”) or (“Defendant”). Upon careful review, the Court finds as follows:

WHEREAS, this Preliminary Approval Order incorporates the Settlement Agreement and the terms used herein shall have the meaning and/or definitions given to them in that Agreement, as submitted to the Court with the Motion for Preliminary Approval.

NOW, THEREFORE, pursuant to Federal Rule of Civil Procedure 23(e), upon the agreement of the Parties, and after careful consideration,

IT IS HEREBY ORDERED as follows:

1. The Court preliminarily finds that the Agreement proposed by the Parties is fair, reasonable, and adequate and likely to be approved at a Final Approval Hearing such that giving Notice is justified. The representations, agreements, terms, and conditions of the Settlement, as

embodied in the Agreement, are preliminarily approved pending a Final Approval Hearing on the Settlement as provided herein. The Court preliminarily finds that the Settlement meets the considerations set forth in the amended Rule 23(e), as well as *UAW v. GMC*, 497 F.3d 615, 632 (6th Cir. 2007).

2. The Settlement was negotiated with the assistance of a mediator, and appears to be the result of extensive, arm's length negotiations between the Parties after Class Counsel and State Auto's Counsel had investigated the claims, litigated essential matters regarding the claims, and become familiar with the strengths and weaknesses of the claims. At this preliminary stage, the Court finds that the Settlement appears not to be collusive, nor to have no obvious defects; and falls within the range of reasonableness.

3. The Court preliminarily finds that it will likely certify at the Final Approval stage a Settlement Class, for purposes of the Settlement only, consisting of:

All Insureds, under any Ohio, Illinois and Missouri personal automobile insurance policy issued by State Auto and its subsidiaries or related insurance companies with the same operative policy language covering a vehicle with auto physical damage coverage for comprehensive or collision loss who made a first-party claim which State Auto paid as a total loss within the Class Period, who do not timely opt out from the Settlement Class (the "Settlement Class Members"). Excluded from the Settlement Class are State Auto's agents, employees, subsidiaries, parents, and related entities, as well as the Judge assigned to this matter and the Judge's staff and employees. Also excluded from the Class are Class Counsel.

The Court preliminarily finds that this Settlement Class meets the relevant requirements of Federal Rules of Civil Procedure 23(a) and (b)(3) in that, for settlement purposes: (a) the number of Settlement Class Members is so numerous that joinder is impracticable; (b) there are questions of law and fact common to the Settlement Class Members; (c) the claims of the Class Representative are typical of the claims of the Settlement Class Members; (d) the Class Representative is an adequate representative for the Settlement Class, and has retained experienced counsel to represent her; (e) the questions of law and fact common to the Settlement Class Members predominate over any questions affecting any individual Settlement Class Member; and (f) a class action is superior

to the other available methods for the fair and efficient adjudication of the controversy. The Court therefore preliminarily certifies the proposed Settlement Class.

4. For purposes of the Settlement only, the Court preliminarily finds and determines that it will likely find at the Final Approval stage, pursuant to Federal Rule of Civil Procedure Rule 23(a)(1), that Plaintiff Carrie Andrews will fairly and adequately represent the interests of the Settlement Class in enforcing their rights in the Action, and therefore appoints her as the Class Representative.

5. For purposes of the Settlement only, and pursuant to Federal Rule of Civil Procedure 23(a)(1), the Court appoints the following as Class Counsel to act on behalf of the Settlement Class and the Class Representative with respect to the Settlement:

6. Epiq Systems, Inc. (“Epiq”) is appointed as Settlement Administrator and shall abide by the terms and conditions of the Agreement that pertain to the Settlement Administrator.

7. Pursuant to Fed. R. Civ. P. 23(e), the terms of the Agreement (and the Settlement provided for therein) are preliminarily approved and likely to be approved at the Final Approval Hearing because:

(A) the Class Representative and Class Counsel have adequately represented the class;

(B) the Settlement was negotiated at arm's length;

(C) the relief provided for the Class is adequate, taking into account:

(i) the costs, risks, and delay of trial and appeal;

(ii) the effectiveness of any proposed method of distributing relief to the Class, including the method of processing Class-Member claims, if required;

(iii) the terms of any proposed award of attorneys' fees, including timing of payment; and

(iv) any agreement required to be identified under Rule 23(e)(3); and

(D) the Settlement treats Class Members equitably relative to each other.

Fed. R. Civ. P. 23(e)(2).

8. Having reviewed the proposed Notice Program submitted by the Parties, (hereinafter referred to collectively as "the Notices"), the Court approves, as to general form and content, such Notices for the purpose of notifying the Settlement Class as to the proposed Settlement, the Final Approval Hearing, and the rights of the members of the Settlement Class. Those Notices contain all of the essential elements necessary to satisfy the requirements of federal law, including the Federal Rules of Civil Procedure and federal and state due process provisions, including the class definition, the identities of the Parties and their counsel, a summary of the terms of the Settlement, information regarding the manner in which objections may be submitted and the deadline for doing so, information regarding opt-out procedures and deadlines, and the date and location of the Final Approval Hearing.

9. The Court directs the Settlement Administrator to effectuate Notice to the Settlement Class in accordance with the Notice Program. The Notices shall be updated by the Settlement Administrator to include the date and time of the Final Approval Hearing as set forth below. The

Court finds and determines that the Notices constitute the best notice practicable under the circumstances, constitute due and sufficient notice of the matters set forth in the notices to all persons entitled to receive such notices, and fully satisfy the requirements of due process, the Federal Rules of Civil Procedure, and all other applicable law and rules.

10. Any person falling within the definition of the Settlement Class may, upon request, be excluded or “opt-out” from the Settlement Class. In the event a Settlement Class member wishes to be excluded from the Settlement and not to be bound by this Agreement, that person must sign and mail a notice of intention to opt-out of the Settlement to the Settlement Administrator. The notice must be postmarked on or before the last day of the Opt-Out Deadline. Any member of the Settlement Class who timely and properly requests exclusion in compliance with these requirements will thereafter be excluded from the Settlement Class, not become a Settlement Class Member, will not have any rights under the Settlement, will not be entitled to receive a Settlement Class Member Payment, and will not be bound by the Agreement or the Final Approval Order. Any members of the Settlement Class who fail to submit a valid and timely opt-out request shall be bound by all terms of the Agreement and the Final Approval Order. If the Policyholder submits the opt-out request, then all insureds on the State Auto automobile policy shall be deemed to have opted-out of the Settlement with respect to that policy, and the Policyholder and insured shall not be entitled to a payment under the Settlement.

11. Any Settlement Class Member who wishes to object to the Settlement, Class Counsel’s application for Class Counsel Fees or a Service Award for the Class Representative, or to appear at the Final Approval Hearing and show cause, if any, why the Settlement should not be approved as fair, reasonable, and adequate to the Settlement Class, or why a final judgment should not be entered thereon, may do so, as set forth in the Settlement Agreement. A valid objection must

include: (a) the name of the Action; (b) the objector's full name, address and telephone number; (c) all grounds for the objection, accompanied by any legal support for the objection known to the objector or objector's counsel; (d) the number of times the objector has objected to a class action settlement within the five years preceding the date that the objector files the objection, including the case name and number and jurisdiction of the court for such objections (if any); (e) the identity of all counsel who represent the objector, including any former or current counsel who may be entitled to compensation for any reason related to the objection to the Settlement or fee application; (f) the identity of all counsel (if any) representing the objector who will appear at the Final Approval Hearing; (g) a list of all persons who will be called to testify at the Final Approval Hearing in support of the objection; (h) a statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing; and (i) the objector's signature (an attorney's signature is not sufficient). The Parties must file any briefs in response to any objection on or before 10 days prior to the date of the Final Approval Hearing. Class Counsel and/or State Auto may conduct limited discovery on any objector consistent with the Federal Rules of Civil Procedure if approved by this Court upon written motion showing good cause to conduct such discovery. Any Settlement Class Member who does not make his or her objections in the manner and by the Objection Deadline shall be deemed to have waived any objection(s) and shall be forever barred from raising such objections in this or any other action or proceeding, absent further order of the Court.

12. The Notices shall be updated by the Settlement Administrator to include the specific Opt-Out Deadline, Claim Deadline and Objection Deadline.

13. Prior to the Final Approval Hearing, Class Counsel shall file with the Court and serve on all Parties a declaration of the Settlement Administrator certifying that the Notice Program was

completed, describing how the Notice Program was completed, providing the names of each Settlement Class member who timely and properly requested exclusion from the Settlement Class or served objections, detailing the number of Claim Forms that were timely and validly submitted, and other information as may be necessary to allow the Parties to seek and obtain Final Approval.

14. All pretrial proceedings in this action are stayed and suspended until further order of this Court, except such actions as may be necessary to implement the Agreement and this Preliminary Approval Order.

15. This Settlement, and any and all negotiations, statements, documents, and/or proceedings in connection with the Settlement, shall not be construed or deemed to be an admission of the truth or falsity of any claims or defenses heretofore made, or an acknowledgment or admission by any party of any fault, liability, or wrongdoing of any kind whatsoever. Neither the Settlement, nor any act performed or document executed pursuant to or in furtherance of the Settlement: (a) is or may be deemed to be, or may be used as, an admission of, or evidence of, the validity of any claim made by the Plaintiff or Settlement Class members, or of any wrongdoing or liability of the Released Parties; or (b) is or may be deemed to be, or may be used as, an admission of, or evidence of, any fault or omission of any of the Released Parties, in the Action or as any sort of precedent, or for any other purpose, in any proceeding in any court, administrative agency, or other tribunal.

16. For the benefit of the Settlement Class and to protect this Court's jurisdiction, this Court retains continuing jurisdiction over the Settlement proceedings to ensure the effectuation thereof in accordance with the Settlement preliminarily approved herein and the related orders of this Court.

17. Class Counsel and State Auto's Counsel are hereby authorized to use all reasonable procedures in connection with approval and administration of the Settlement that are not materially inconsistent with this Preliminary Approval Order or the Agreement, including making, without

the Court's further approval, minor form or content changes to the Notices they jointly agree are reasonable or necessary.

18. **An in-person Final Approval Hearing will be held in the Courtroom of Judge Algenon L. Marbley, Ohio, on \_\_\_\_\_, 2023 at \_\_\_\_\_ a.m. EST**, to determine: (a) whether the Settlement should be approved as fair, reasonable, and adequate to the Settlement Class; (b) whether the Final Approval Order should be entered in substance materially the same as the Final Approval Order submitted by the Parties with the Motion for Final Approval; (c) whether to approve Class Counsel's application for attorneys' fees, and for a Service Award for the Class Representative; and (d) any other matters that may properly be brought before the Court in connection with the Settlement. The Final Approval Hearing is subject to continuation or adjournment by the Court without further notice to the Settlement Class. The Court may approve the Settlement with such modifications as the Parties may agree to, if appropriate, without further notice to the Settlement Class.

19. The Parties must file all moving papers and briefs in support of Class Counsel's application for attorneys' fees, and for a Service Award for the Class Representative, **no later than forty-five (45) days before the date set forth herein for the Final Approval Hearing.**

20. **Class Counsel must file a Motion for Final Approval no later than twenty (20) days before the date set forth herein for the Final Approval Hearing.**
